The Eastern National Livestock Show is pleased to announce that the premiums offered for the 1967 Show are over \$50,000.00. The grand cooperation of the Maryland State Fair Board makes this possible. This year the Fair Board has awarded \$26,055.00 for Fall Show and \$2,022.00 for the 1968 Spring Hog Show. The State Fair Board composed of Frank D. Brown, Jr., Chairman, Port Deposit; Fred C. Ernst, Vice-Chairman, Clear Spring; Richard N. Wills, Secretary, McDonogh; Albert J. Bailey, Hebron; John M. Crum, Frederick; E. Richard Hough, Sr.; Earl C. Robertson, Cumberland; Gerald B. Truitt, Jr., Salisbury; Grover K. Walker, Gaithersburg; R. Nelson Phelps, Executive Secretary, Timonium, has been very generous.

In addition to the Fair Board the Eastern National Livestock Show is very appreciative of the support of the various beef cattle, swine and sheep breed associations and individuals and organizations who have supported this activity.

Your Directors are continually striving for improvement. We sincerely hope you will enjoy the 21st Eastern National.

# The Eastern National

---

---

The Eastern National Livestock Show, fourth largest livestock event in the nation, actually had its beginnings 38 years ago. In 1928, a handful of forward-thinking citizens, most of them cattle raisers or meat packers, organized the Baltimore Livestock Show and held their first exhibition at the Baltimore Union Stock Yards.

In the first year, nearly 2,000 head of livestock were shown and later auctioned off for \$247,000. A new world's record of 50 cents a pound for the grand champion load of fat cattle was achieved in that year. . . . It has been exceeded many times since then.

The Baltimore Livestock Show continued at the Baltimore Union Stock Yards through 1946. The next step was taken in 1947.

Limited because of the facilities at the stock yards, the show group decided to make a move to the more spacious Maryland State Fair Grounds, where the huge barns, judging pavilions, restaurant facilities, sale rings and grazing fields offered the finest facilities to exhibitors. The name also was changed to the Eastern National . . . indicative of the show's expansion to something more than a local or area exposition.

Throughout the years, the objective of the show has been **quality**. This emphasis has apparently proved successful because the Eastern National has become the largest and finest livestock show in the East. Paralleled with this advance has been the rise in Baltimore's position in the livestock shipping and meat packing industry to eighteenth in the nation and second in Maryland industry.

Then, too, the Eastern National also stresses the importance of young livestock breeders. Such emphasis has resulted in the show becoming the culmination of all 4-H and F.F.A. livestock endeavors in Maryland and many adjoining states.

Over 200 4-H/F.F.A. members will be exhibiting 300 head of beef, sheep and swine projects at this year's show.

The Eastern National contributes to the strong trend toward a livestock economy in the territory it serves. It provides a medium of stimulus to the greater production of meat for Eastern consumers and also provides a special stimulus to the improvement in the quality of animals. It is one of the twelve regional shows of the country as recognized by the various Breed associations, and is the only regional show located in the East.

The Eastern National is supported almost entirely by memberships . . . by breeders, cattle feeders, the meat packing industry, marketing agencies, businesses, and interested organizations.

## Specialist

This critter is a specialist. You don't expect it to give milk or to grow wool. There is no such thing as an "all-purpose" animal . . . any more than there is an "all-purpose" nutritional supplement.

Young's VIT-Y-MIN pre-mixes and supplements are specialists, too. We formulate a dozen of them . . . each specifically balanced to meet the individual nutritional needs of each type of livestock. Each offers the highest mineral and vitamin values for your dollar.

Ask us or your Young's representative for details on the specialized VIT-Y-MIN products.

## **William F. Schluderberg Memorial Classes For Novices**

(Open to Maryland 4-H Club or F.F.A. members exhibiting for the first or second time at The Eastern National Livestock Show, Inc.)

We are pleased to announce the continuation of the William F. Schluderberg Memorial Classes for Novices at the Eastern National Livestock Show as a memorial to the late William F. Schluderberg who was President of our company and Vice President of the Eastern National.

Mr. Schluderberg, or "Mr. Will," as he was affectionately known, was a leader in promoting the interests of the Livestock and Agricultural Industries and was always very enthusiastic in his support of 4-H and F.F.A. Club work.

Because we feel that his efforts and support have contributed in a large measure to the growth and development of this project work in this area, this memorial is established to perpetuate his memory and to continue to encourage the 4-H and F.F.A. boys and girls to greater achievement.
